****** All fees and tuition are non-refundable and non-transferable. All tuition fees are to be paid one week in advance upon enrollment and in full on Monday of each week. Delinquency of payment after two weeks may result in your child being unable to attend and delinquency of three weeks will result in your child being dropped from the program if needed. Parents will have to pay the balance as well as a re-registration fee. A payment plan to pay off the past due balance can be established to allow parents the chance to get the account current at the director's discretion.
